BELVEDERE PARK PRIMARY SCHOOL

Principal's Report

BEN MONCRIEFF AND MERRAN WIDIANA

WELCOME BACK

Welcome back to Term 2! After a good break for students, we hope that everyone is well-rested and ready for a successful term ahead. Term 2 is packed with plenty of highlights and great events. As always, we encourage you to log into Compass and access the calendar regularly to keep track of all that is happening for your children.

PARENT PAYMENTS AND VOLUNTARY CONTRIBUTIONS

The Compass Portal remains live for families to log in and complete all school payments.

The BPPS School Council, staff and school community have high expectations of all curriculum programs, resources and facilities that the school provides. Much of the operational costs including the provision of computers, high-quality school resources, extra sports equipment, library books, digital technology and equipment, quality art and science supplies and maintenance, along with the provision of new curriculum initiatives are supported solely from local fundraising, including parent payments.

Parent voluntary contributions are a vital aspect of maintaining these high standards and we thank our parent community for their generous support in this area to benefit all students across the school.

OPEN MORNING 9-10 AM

Principal's Report Continued..

ANZAC DAY CEREMONY

BPPS was represented by our school captains Amelia and Mila at the Seaford RSL and ANZAC Day services last week. The captains laid a wreath on behalf of all the students and staff of Belvedere Park PS. The two school captains also led a service for the whole school on Wednesday the 24th of April.

EDUCATION WEEK

Education Week will occur from Monday 13th of May to Friday 17th of May. This year's theme of Education Week is a "Spotlight on STEM", a chance for schools to celebrate and share how they bring Science, Technology, Engineering, and Maths to life in the classroom.

We will be conducting an "open evening" (5:00-6:00) on Tuesday 14th of May and an "open morning" (9:00-10:00) on Thursday 16th of May.

2025 FOUNDATION INFORMATION

NIGHT

Next week we will be conducting an important Information Night for prospective families. The evening will highlight the excellent programs, facilities and community spirit at Belvedere Park PS. We would like to thank the Foundation Team and Bron Barber for organising this event. If you know of any families who have children who will be starting school in 2025, please encourage them to book into this session and also organise a tour and see for themselves what our wonderful school has to offer. All school tours are conducted on Wednesday mornings.

[Book your 2025 Foundation Information session here](#)

We are standing here with people we care for and respect

We will be kind and helpful to everyone

We will keep ourselves safe

We will remember our school, friends and achievements when we leave

So up there for Belvedere in the blue and gold!

SCHOOL PLEDGE

Principal's Report Continued..

MOBILE PHONES IN SCHOOLS

Please be reminded of the State government's policy prohibiting mobile phones and smartwatches during school hours. This policy promotes a focused learning environment and ensures student safety. If your child needs to bring a mobile to school or wear a smartwatch, they need to place these devices in the school safes at the beginning of the school day. Your cooperation in enforcing this policy is greatly appreciated. Thank you for your understanding and support.

ATTENDANCE NOTIFICATIONS

Regular school attendance is vital for academic progress and well-being. Promptly notifying the school via Compass about your child's absence helps maintain accurate records, address missed work, and identify potential concerns affecting attendance. Thank you for your cooperation in supporting your child's education.
