Keep up those great nightly reading habits and see your child's reading bloom! Teachers will be checking reading journals and changing books each Friday.

Term 2 News

It is already Term 2! We would like to welcome all Year 1 families and friends back after the Easter holiday break. We have been very impressed with how the students have settled straight into learning with curious minds and 'can do' attitudes. It is shaping up to be a HUGE term of new learning and we look forward to sharing lots of exciting new skills and growth with you all.

This Term in:

Literacy

This term Little Learners Love Literacy continues to expand our understanding of the more complex long vowel phonemes (sounds) and graphemes (letters). Starting at stage 7.2 we will be working our way through to stage 7.3 by the end of term. In writing, we will be focusing on correct letter formation, sentence structure as well as writing information texts about insects.

Mathematics

During Term 2, Top 10 mathematics we will be exploring addition and subtraction with a focus on expanding our understanding of different strategies such as counting on and back, partitioning and mental arithmetic.

Inquiry - Science Insects

Our Inquiry unit for Term 2 term takes on a biological science focus as we learn all about insects. We will be looking at the features of insects, lifecycles their needs and habitats. This exciting learning about creepy crawlies will culminate at the end of term with a thrilling 'marvellous mini-beasts' incursion.

RRRR

Respectful Relationships Rights and Responsibilities will be covering the important topics of Problem Solving and Stress Management. These units with herlp equip our students with a better understanding of their emotions and how to deal with them.
