Just a couple of reminders before we settle in to our third term break.....

Strawberries!

As a precaution, I wanted to remind you all to follow the current health advice that while it is safe to purchase strawberries, until advised consumers should cut them up before consuming them.

This advice currently applies to all strawberries.

Anyone in possession of the Donnybrook, Berry Obsession and Berry Licious, Love Berry, Delightful Strawberries, and Oasis strawberries should dispose of them or return to the place of purchase. These brands have been removed from sale.

Anyone who finds a contaminated strawberry should contact their local police station or Crime Stoppers on 1800 333 000.

Broad-Brimmed School Hats

Don't forget that next term the kids will need their broad-brimmed school hats to protect their skin from sun damage.

Hope your holiday is a rip snorter!! See you in October!
