Principal's Report

BEN MONCRIEFF AND MERRAN WIDIANA

NAPLAN 2024

The upcoming NAPLAN (National Assessment Program – Literacy and Numeracy) assessments are highly anticipated in the education sector. Scheduled to gauge the academic progress of Australian students, these standardised tests cover essential skills in literacy and numeracy. Designed to provide valuable insights into the effectiveness of the education system, NAPLAN assessments play a crucial role in shaping educational policies and strategies. We wish our Year 3 and Year 5 students all the best for their upcoming assessments beginning next week.

PARENT PAYMENTS AND VOLUNTARY CONTRIBUTIONS

The Compass Portal remains live for families to log in and complete all school payments.

The BPPS School Council, staff and school community have high expectations of all curriculum programs, resources and facilities that the school provides. Much of the operational costs including the provision of computers, high-quality school resources, extra sports equipment, library books, digital technology support and equipment, quality art and science supplies and maintenance, along with the provision of new curriculum initiatives are supported solely from local fundraising, including parent payments.

Parent voluntary contributions are a vital aspect of maintaining these high standards and we thank our parent community for their generous support in this area to benefit all students across the school.

OUR 2024 SCHOOL COUNCIL

We are pleased to announce that we received four parent and one staff nomination for our 2024/25 School Council. This means there is no need for an election in 2024.

In welcoming our new School Council we would like to acknowledge and thank the outgoing School Council members - Lisa Hauck and Bridget Hansen. They have overseen Annual Reports, Strategic Plans and Annual Implementation Plans. We sincerely thank them for their dedication, support and commitment to governing our school.

The role of the School Council is of vital importance to the governance of the school and we are excited to welcome the new parent council members Renee Verity and Joanna Djunaedi. We would also like to thank Camille Sanderson, Adrienne Barker and our staff member Bridene Forrest for re-nominating.
