### BERRY STREET EDUCATION MODEL TRAINING - FIRST CURRICULUM DAY (THURSDAY 28TH MARCH)

On the first day of the Berry Street Education Model training, staff will delve into a transformative exploration of the 'Body' aspect. Focusing on nurturing holistic development, the session will emphasise understanding the profound impact of physical well-being on cognitive abilities. Trainers will explain the model's unique approach, intertwining movement, sensory experiences, and mindfulness to foster an optimal learning environment. Staff will engage in practical exercises, recognising the interconnectedness of mind and body in the educational journey. The day will conclude with a shared commitment to incorporating these insights into our teaching practices.

Other agenda items discussed were the 2024 Silent Disco, the 2023 Annual Report, the 2024 Annual Implementation Plan, the 2024 Swimming Programs and the possible upgrade to the school grounds this year.
